

Time e standstill han guh gat hae

1980s Paraguay 아주 paradise 라고

남편 said Paraguay is paradise 풍부

과일 풍부 물도 싸고

everything Everything like a lot aLOT &cheap

made a lot of money

In Paraguay they had a store

they had a corner store 구멍가게

billions billions billions of money doing making

Lots of water and Cheap sending it to america really

they got so much money *they didn't know what to do*

they were hiding hiding no wood to burn only

what they have is money so they burned stacks of money to fill the fire place

they hid the money under the ground they got so much money *they didn't know what to do so*

they buried it under the ground in tin drums and ten years later they were running away

they dig up the money they hid money's all rotted 다없어졌는되

the water got in it *you know anything can happen* money's all rotted

사는게 재미있다고 해써 i said that living living is fun

oh i was dreaming it too crazy

what did you dream about

running away
