where sanctity comes from. An image sorted into five frames. Core that heart the innermost heart wrecked of uncertain origin. As from tree or soil, a central portion cut, removed. Internal mold casting space intended : some name in quotes said "hollow voice" which echos & that look between roommates. I saw someone on the street that was like a younger version of someone else I know.

I wonder how “thrust” “push” “shove” have come to signify wasted time even around one’s own home. My putter, for example, is amazing : we are both impressed by my miles in circle. That circle hitched to the top of our spines by hand. A chiropractic up, out, & together. Electrical stimulation patches surround the bones in approximate measurement I’m looking to flirt & see cool outfits
